THE HEART2HEART FOUNDATION, INC.

## +2025 SIGNATURE EVENTS & PROGRAMS

Our Frontline Heroes Wellness Fund provides free Advance Cardiovascular Prevention Screenings and Risk Assessments to first responders, law enforcement, emergency services personnel, school district staff and nurses in York, Chester & Lancaster Counties.

Around 90% of American women and men have at least one risk factor for heart disease. We also know that the early detection of any chronic disease can save lives. This program provides access to Advance Labs and Cardiovascular Screenings to asymptomatic adults over the age of 40 that can help detect heart disease at its earliest stages. Financial assistance is also available through our scholarship programs.

Since our beginning in 2012, we have been committed to advocating for women's heart health. Through our free #RedHeartMamas group, we help women of all ages learn their risk for heart disease, how to share our message of prevention and hope, and how to become their own best advocates for better heart health. While we host in-person events in our key markets, we also offer free access to heart health educational resources and virtual programs through our private Facebook group.

Since 2016, we have served thousands of local students by not only providing book bags and school supplies but also distributing age-appropriate health health messages to children and their parents. As our largest community event, we connect families with vital resources and health screenings through dozens of York County agencies. Throughout the school year, we continue to provide free health tips and resources to parents through our website, email newsletter and Facebook page.

## NEW FOR 2025!

It was in 1950 that the Centers for Disease Control (CDC) declared heart disease to be the number one killer of American men and women. As we look back at the past 75 years and forward to our mission to help change this narrative, join us for a 1950s themed event with vintage-inspired attire, beverages, heavy hors d'oeuvres, games, music and dancing.

Corporate and Table Sponsorships are available. Individual tickets are only \$75 and includes a complimentary door prize ticket and professional digital photo mementos.

Proceeds from this event will fund our 2025 community outreach programs and advance cardiovascular screening scholarship fund.

**For more information, or to discuss  
custom activations, please contact:**
